

Introduction At Dominion, we're more than one of the largest, fully integrated energy companies in the US, we're a family of companies that is expanding to serve a potential market of more than 50 million homes and businesses in America's most energy-intensive region.

Job Title Engineer, Possum Point Station

Location VA - Dumfries

Job Summary You will be responsible for managing a variety of engineering assignments in the areas of analysis, design, construction, operations and maintenance. You will be expected to resolve moderately complex problems and improve plant performance. Evaluate impact of design or operational changes on safety, environmental issues, performance and costs. Research and evaluate new equipment and trends and make recommendations to improve company operations and maintenance. Assist in the training of engineering personnel and the development of department work plans.

Knowledge, Skills & Abilities Full knowledge and application of engineering theories, principles, standards, and concepts as well as knowledge of industry codes, and government regulations. Strong industrial knowledge is required. Applicant must enjoy working in an industrial environment and be able to interact well with all plant personnel. Strong oral and written communication skills (including technical writing) a must. Strong computer skills, as well as organization and project management skills are also required.

Education, Certifications & Other Qualifications We require a highly motivated self-starter with a 4-year accredited Mechanical Engineering degree plus 6-8 years directly related experience.

Working Conditions May be subject to industrial construction and operational hazards, outdoors, considerable walking and climbing, inclement weather conditions, and high noise levels.

Closing The selected candidate must successfully complete a pre-employment drug screen and background investigation including DMV, criminal history, verification of prior employment, and education records.

Please include your email address in your resume for Dominion correspondence and candidate questionnaire.

Dominion is an equal opportunity employer and is committed to a diverse workforce.
